Tsunami Evacuation Drill

Thank you parents, family and community for supporting our annual Campus/Tsunami Evacuation drill!

In the event of a real emergency, meet us at our evacuation destination, Nanakuli High and Intermediate School. Our assigned location is the gym, but in case we are relocated, check with the NHIS office.

Parents are to report to the gym with ID to sign a child out, just like when students are pulled out of school early.

Allow us to walk with all of our students up to the safety of the high school. Meet us at NHIS to sign your child out of school.

Please call us if you have any questions about our evacuation procedures. Mahalo for your support of our safety protocols!

School Attendance

Please attend school everyday! It's important for students to be in class on time to receive instruction and learn the academic skills to be successful in school.

However, if students are sick, please have them return with a doctors note or note from home.

Finally, after the dismissal bell has rung, all students must go straight home every day and not linger on campus unless they are in an afterschool program.

If you would like to be a volunteer on campus or chaperone on Field Trips, you will need to attend a **Volunteer Training Workshop** and submit a current TB Test. Training will be held on **Tuesday, December 13th at 8:30 am in the Library Workroom.**

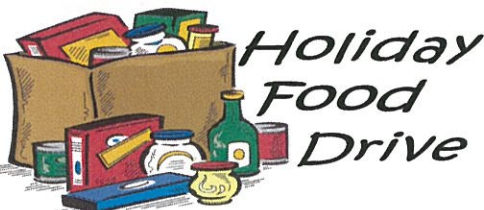

For more information, please contact PCNC Stacy Eli at 305-7800.

School Quality Survey

Your child will come home with an envelope containing the School Quality Survey (SQS) for this school year.

We ask that you complete the SQS so that we can get feedback about how we are doing as a school.

Thank you for your support!
