PARKING CONCERNS

If you plan to double-park your car, please make you sure that someone is left in the car in case your car needs to be moved. If you don't have another driver in the car, please wait in your car until a space opens up. Please do not block another parked vehicle, or park in front of an open parking space. Others may want to park in that space to pick up their child(ren) at the classroom. Please use the designated crosswalks at all times. Your cooperation helps to keep our children safe.
