Dear Parents and Guardians,

We are pleased to inform you that the Hawaii State Department of Education will provide free breakfast and lunches for all students at Nanaikapono Elementary for the 2016-17 school year.

This will be the second year of the program in Hawaii and is made possible through the Community Eligibility Provision (CEP) under the United States Department of Agricultural National School Lunch and School Breakfast Program.

**All** enrolled students of Nanaikapono are eligible to receive a healthy breakfast and lunch at school at **no charge** during instructional days of the 2016-17 School Year. This means, your child(ren) will be able to participate in meal programs without having to pay a fee or submitting the standard meal application.

As part of the CEP program, it is important that students' families complete a Household Income form. Completing the form is necessary for other programs that use income data to determine whether your child or your child's school is eligible for additional funding, other resources, and for reporting of information about your child's school.

This program only applies to selected schools. A list of participating schools is posted at HawaiiPublicSchools.org, where you can also find more information and resources. To find the list online visit HawaiiPublicSchools.org and search for "CEP" or visit <http://bit.ly/HawaiiCEP> directly.

Please feel free to contact our school at (808) 305-7800 if you have any questions or concerns.

Sincerely,

*Debra Knight*
